3. Desired outcomes

	<i>Desired outcomes and how they will be measured</i>	<i>Success criteria</i>
A.	Children will develop their emotional learning and be able to manage their emotions which will lead to improved academic success. Their academic progress and attainment will be measured using Classroom Monitor each half term, progress and attainment should be in line with children who are not Pupil Premium. The Talkabout counsellor will record progress per session and liaise with class teacher or Head teacher if there is a disclosure.	Children will be able to independently manage their emotional needs during social interaction activities ie playtimes and in the classroom. Children's attainment and progress will be in line with the other children who are not pupil premium

B.	Children will develop their oral speech and language skills through participating in our Speech and Language programme. Progress will be measured half termly at school and the Local Authority Speech and Language therapist will assess children and set new targets.	Children will make progress from their starting points and continue to meet the Speech and Language targets
C.	Children will attend the SATS funded breakfast club daily which extends and consolidates learning in preparation for the tests. The Year 6 class teacher will lead this club and assess progress and attainment using SATs past papers and school trackers	Children will reach expected (or above) in Year 6 SATS. Children will develop their confidence when participating in the tests.
D.	Children will attend the daily funded breakfast club and participate in a range of activities	Children will be provided with a healthy breakfast and develop life skills.
E.	Newton Tony provide named pupil Teaching Assistants, to support SEND children, we provide tailored provision and not a Velcro model as we value and support developing independence.	Children make progress in line with the children who are not Pupil Premium. Children

4. Planned expenditure					
Academic year	2017-2018				
The three headings below enable schools to demonstrate how they are using the pupil premium to improve classroom pedagogy, provide targeted support and support whole school strategies.					
i. Quality of teaching for all					
Desired outcome	Chosen action / approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead	When will you review implementation
Prevent under achievement and accelerate progress by minimising 'emotional' barriers.	Continue to develop the ELSA's skills and understanding when supporting children with emotional needs.	We intend to invest some of the PP in longer term change which will help all children. The EEF (Education Endowment Foundation) Toolkit suggest that Behaviour interventions have a moderate impact with a moderate cost and therefore is an effective way to improve attainment, and it is suitable as an approach that we can embed across the school.	ELSA to attend Network Meetings to liaise with other ELSAs, attend training and develop skills. One afternoon per week will be ELSA provision. Detailed records will be kept and class teachers will be asked to complete a proforma to give to the ELSA to assess and prioritise the needs of the children in the school. Emotional progress will be assessed through a 1-5 system	ELSA SH CTs	Ongoing
	Employ the professional counselling skills of the Talkabout Service	We intend to invest some of the PP in supporting children with CIN multi complex needs. These needs have been identified during multi agency meetings. The EEF Toolkit suggest that Social and Emotional Learning has a moderate impact with a moderate cost and therefore is an effective way to improve attainment, and it is suitable as an approach that we can embed across the school.	Kaleidoscope counsellors keep detailed records about childrens' disclosures and their emotional progress. They discuss any concerns and progress with the Head Teacher.	HT Counsellors	Termly
			The training has been selected using		

	Train all staff in the Restorative Justice approach	We want to invest some of the PP in whole school approach to changing the way emotional/behavioural support is managed. The EEF Toolkit suggest that Meta-cognition and self-regulation has a high impact with a low cost and is an effective way to improve attainment, and it is suitable as an approach that we can embed across the school. It is also an approach that the cluster schools have adopted and the Dioceses of Salisbury are recommending an excellent evidence based approach to change.	evidence of effectiveness after an advisory meeting with a Diocese representative. Twilight training was delivered alongside a cluster school (who paid 2/3 of the cost) . The Head Teacher will deliver the training using these resources, to new starters. Restorative Justice Approach embedded in school Positive Behaviour policy.	Dioceses advisor HT All staff Governors	Ongoing
Costs	ELSA - £983	Talkabout -- £1365	Restorative Justice Training -£0 (Head Teacher to lead training)		Budgeted cost £2348

ii. Targeted support

Desired outcome	Chosen action/approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead	When will you review implementation?
Improved progress and attainment for PP children inline with progress of children who are not PP	Tailored personalised provision	Some of the children need targeted support to ensure they make progress in line with the children who are not PP. The provision is personalised and tailored and responsive to the needs of the child. We will also be introducing two intervention programmes with a ratio of one Teaching Assistant to four children. These accelerated learning programmes are accredited and proven to be successful at raising standards.	CTs will ensure that planning is provided for the Teaching Assistants which is responsive to daily marking and feedback, this approach will support learning on a daily basis. HT will monitor progress and attainment through the Wiltshire tracker. SENCo will monitor progress and attainment of PP children who are also SEND. Introducing Intervention programmes in afternoon alongside tailored provision. Encourage keep up not catch up ethos in KS1. Programmes are First Class @ Number and Project X (phonics reading intervention	TAs CTs SENCo HT	ongoing

					Budgeted cost	£3306 TA £2500 resources Total - £5806
iii. Other approaches						
Desired outcome	Chosen action/approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead	When will you review implementation?	
Access to activities and the wider curriculum	To fund PP children to ensure they are given the opportunities that non PP children are given.	The music lessons are given as one to one tuition and the EEF suggest that this provides moderate impact for a high cost. Our children are very creative and show an interest in how to play the guitar. As a school we value the arts and will provide the opportunity for our children to foster a love for the arts.	We will informally monitor the guitar lessons, speak to parents about how they feel their child is progressing.	Guitar teacher	Ongoing	
					Budgeted cost £2394	
Access to activities and the wider curriculum	To fund PP children to ensure they are given the opportunities that non PP children are given.	The after school activities are given in a small group and the EEF suggest that this provides moderate impact for a moderate cost. As a school we actively encourage children to participate in activities linked to the wider curriculum	We will informally monitor the after school clubs. We will check that the club is recommended by cluster school. We will discuss with parents about how they feel the club is impacting on the children.	PH Club Christmas Club – JH Arts club - SR	Ongoing	
					Budgeted cost £252 £2058	
Access to activities and the wider curriculum	To fund PP children to ensure they are given the opportunities that non PP children are given.	We provide funding for PP children to access curriculum based trips. We believe that all children despite family income should be able to access enrichment activities.	We will discuss with the class teacher and child whether the class trip enriched the child's learning.	CT	Ongoing	
					Budgeted cost Salisbury Cathedral trip Cinema trip Swimming £315	
Increased attendance rates	LA EWO Tracey Satchell liaison with school	It is difficult to improve attainment for children if they aren't attending school. The National Foundation for Educational	Regular meetings with the LA EWO with thorough discussions about existing absence issues.	HT EWO CTs	Budgeted cost	

		research (NfER) briefing for school leaders identifies addressing attendance as a key step.	Attend CIN meetings to monitor attendance		Total budgeted cost SLA
