8th May 2018

Dear Parents/Carers

Thank you for attending the recent New Barn Residential Trip parent's meeting, attached is a **kit list**, which is a recommendation only. Please bring enough sensible clothing for the duration of the trip. It is essential that everyone brings a **light weight** waterproof coat with a hood or a hat/cap and also some suncream (if warm weather is predicted). In general we recommend old clothes – so it doesn't matter if the children get muddy or dirty. We strongly recommend that all valuables such as mobile phones, computer games, jewellery etc. are left at home. We also recommend you include a list of items you have packed, so the children can check their kit before returning.

Children are welcome to bring some pocket money with them for their stay, a maximum of £10 please. The centre provides a gift shop where children can purchase branded and non-branded goods, including stationery and pottery. We will be sending out more information, including the risk assessment next week. All the New Barn residential letters and the kit list are on our school website (follow **letters** link).

More information about the centre can be found on the New Barn Field Centre website
<http://www.newbarn.co.uk>.

Kind regards

S Priestley
