Multi Media Consent Form

Child's name: _____ Class _____

At Newton Tony CE VC Primary School, we often take photographs of your child. We use these photos in a variety of ways, including: in the termly newsletter, on the school's website, on school promotional banners and on display boards around school. Photos are also an important way of us recording your child's academic progress and they may be used in your child's books, or in the Tapestry online journal. There are a variety of other multimedia platforms that may access your child's photographs eg. newspapers, online articles, leaflets.

Please be assured that where we use photographs online or in marketing information, no names will be attached to the photographs. Where names are displayed alongside work in school we will only use first names, with initial letter of surname if necessary.

We would like your consent to take photos of your child, and use them in the ways described above. If you're not happy for us to do this, please note your preferences below: -

Why are we asking for your consent again?

All parents will have been asked for consent when their child joined our school. However, you may be aware that there are new data protection rules coming in from 25th May 2018. To ensure we are meeting the new requirements, we need to re-seek your consent to take and use photos of your child. We really value using photos of pupils, to be able to showcase what pupils do in school and show what life at our school is like to others, so we would appreciate you taking the time to give consent again.
