Dear Parents/Carers,

School Lunches

Newton Tony is a healthy school and we are proud to have been granted our Healthy School Gold Award. In addition, Healthy Eating was an important element in the school gaining the School Eco Green Flag Silver Award.

Children at school have a choice of either bringing with them their own packed lunch or having a school dinner which is provided by HC3S. The catering company HC3S are partnered with Hampshire County Council and more information can be found on their website.

For children choosing a school dinner, they are given a daily choice of a meat option, vegetarian option, baked potato or a packed lunch (summer only). **All children in years R, 1 and 2 are entitled to free school meals.** Regular opportunities are provided for parents to sample school dinners at our open days.

In line with our policy on healthy eating, we promote healthy lunchboxes for the children. Please be aware that we are a nut free school and we do not allow chocolate bars or sweets in our school lunchboxes.

Your child is required to bring a water bottle to school in order for them to drink when needed. Fruit is provided on a daily basis for Years R, 1 and 2.

At times throughout the school year, we invite parents to come to school to join the children for lunch. These events are greatly enjoyed and visitors range from mums and dads, to aunts, uncles, grandparents and older brothers or sisters.

Please feel free to visit the school office if you require further information.

Kind regards,

Mrs Talbot-King
Admin/Finance Officer
