11th January 2022

Dear Parents/Carers,

We are delighted to be supporting the NSPCC by taking part in their Number Day on **Friday 4th February 2022**. The NSPCC believes that all children deserve a childhood free from harm but, sadly, that's not the case for many children. That's why the NSPCC is fighting for every childhood and working to help keep children safe from abuse. The NSPCC needs our support. By raising money, we can help to fund their vital services such as Childline – the helpline that's always there for children and young people whatever their problem or concern.

Making maths meaningful - Number Day is a great way to make maths fun and bring about a positive, 'can-do' attitude towards it. On Friday 4th February 2022 we will be taking part in **Dress up for Digits** and pupils will be invited to wear an item of clothing with a number on it. This can be a sports shirt or cap, a onesie or why not get more creative as a dice or calculator! Please ensure your child is wearing trainers as this will be a PE day too.

To help raise money for the NSPCC, we are asking for a suggested donation of £2 on our just giving page. Follow this link www.justgiving.com/fundraising/Newton-Tony-NumberDay2022

We would love everyone in the school to take part in this special event. We will also be having a maths morning! **It all adds up** - We're looking forward to all the fun of Number Day, and we really appreciate your support. All the money we raise at Newton Tony CE VC Primary School will make an enormous difference to children today and help change the lives of children tomorrow.

Thank you.

Kind regards

SPriestley
