16th December 2020

Dear Parents/Carers

Message from Wiltshire LA

You may have seen in the news today the Government has announced the rollout of mass testing in secondary schools in January 2021, and then to primary schools in from the start of February 2021.

We have received some information on this today and, along with other schools, health colleagues and Wiltshire Council, we will be processing this information to assess what this will mean.

At this stage, we do not have the full picture of what this will mean for our schools. We will of course, keep you updated with any further information when we have that.

I would like to thank you all for your understanding and support at this time.

Thank you

Helean Hughes
Director, Education and Skills
Wiltshire Council

Wiltshire Council

Kind regards

SPriestley

Miss S Priestley
