Dear Children

I am so proud of you all and how brave you are being in these difficult times.

Some of you are staying at home.

Some of you are coming to school because your family are critical keyworkers.

All of you are helping our school family and our country to keep safe by following the lockdown guidance. I want to thank you and your families for this.

All your teachers are working hard to organise Zoom lessons and other activities to support your learning every day. If you need help by borrowing reading books, pens and paper or you need work printed off, ask your family to phone me.

I hope you are managing to get your home learning done but also taking some time to relax. It is really important that you remember your mindfulness , if you are feeling sad or worried please talk to your family or ask them if you can ring me at school 01980 629232. I am happy to speak to you.

Try to help at home if you can, because your family are trying to be brave too. Remember that it will not be like this forever and we will all be back together again soon.

I miss you all and try to keep smiling

Miss Priestley
