

Dear Parent/carers,

I am pleased to inform you that your child is eligible to attend our summer holiday programme, FUEL. FUEL is a free holiday activity and food project that offers children the opportunity to take part in a range of fun activities during school holiday periods in 2021. Children will also be provided with a nutritious meal each day.

FUEL summer camps will run in 10 locations across Wiltshire. Each camp will run for four hours a day (10am to 2pm), four days a week, for four weeks during the summer holidays, commencing on 2 August 2021. Each day will include a range of fun activities as well as a nutritious meal.

The FUEL programme is only available to eligible children attending primary, secondary or special schools and is not open to pre-school children.

You can sign up for all four weeks or just the weeks you want to attend. Spaces are limited and will be allocated on a first come first served basis, so please sign up as soon as possible to avoid disappointment.

Please sign up by completing a registration form using the link below. If you have multiple children you will need to register each one separately. If you require any support with completing this form please speak to your school. Please find attached a leaflet providing more details about the FUEL programme that you can share with your child. If you have any further queries please email fuelprogramme@wiltshire.gov.uk

Register here no later than **Noon, 22 July 2021** to take part in a FUEL summer camp.

Kind regards,

Helean Hughes
