Geography Curriculum Pathway

Geography in Hedgehogs Class EYFS is an ongoing part of continuous and enhanced provision. We have selected the Early Learning Goals that link most closely to the Geography National Curriculum:

Understanding the World (People and Communities)

Children know about similarities and differences between themselves and others, and among families, communities and traditions.

Understanding the World (The World)

Children know about similarities and differences in relation to places, objects, materials and living things. They talk about the features of their own immediate environment and how environments might vary from one another.

Hedgehogs	Foxes		Squirrels		Badgers	
EYFS Ongoing	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
