23rd November 2023

Dear Parent/Carer,

Squirrels class would like to invite you to spend some time in class on Wednesday 6th December 2023.

The children will be sharing their Anglo Saxon presentations with you from 8:45 am. More precise timings will be given when all the power points have been sent to me. There are also Anglo Saxon models to admire! If your children have younger siblings and wish to come in for this I will endeavour to ensure that your child's is done first so that if you feel you have to leave you will have seen your child's work. This will be the first time many of these children have presented to a group of people and we are very proud of them.

After the presentations you can join us for our Christmas activities. We will be making Christmas cards, Christmas bead snowmen and continuing with our Christmas sewing amongst other things. Please come for any amount of time during the morning or afternoon. We would love to see you.

If possible please could you let me know if you will be attending, with an approximate time so that we have an idea of numbers. However, if you just decide to turn up on the day that would be wonderful too.

Kind regards

Mrs J Hillier
