

Dear Parents and Carers,

Dear Parents and Carers,

Well, the weather has quickly changed from wet to FREEZING so please ensure children have hats and gloves in school. Children have access to outside all day and so need to be warm.

### This week

We have continued to learn the story of Goldilocks and the Three Bears. This week, we have made porridge and tried a variety of flavours to make it sweet or salty. We voted on which one we preferred and it was clear that sweet was the favourite! After receiving a letter from Goldilocks' mum asking for help on how to make porridge, we wrote instructions to help her. In maths, the children have been comparing weight using balance scales. We have also been investigating bears using the Ipad and using instruments to add music to The Three Bears story.

#### Wow Words.

**amble:** to go for a walk at a slow pace

**delectable:** delicious.

**seething:** very angry.

**famished:** very hungry.

**scalding:** very hot.

Next week

We will be learning the story of Hansel and Gretel and retelling the story using puppets. In maths, we will be exploring the composition of 6, 7 and 8. We will also be baking our own gingerbread houses and creating tree rubbings for the trees around the school.

Best wishes,

The Hedgehog Team
