

Badminton After School Club at Newton Tony Primary School – January 2024

Following a very successful taster session for the children at Newton Tony School on Monday 22nd January which they seemed to really enjoy S.M.A.R.T performance are excited to offer a badminton after school club starting **Monday 19th Feb** running for 6 weeks.

The club will start at 3.15 and end at 4.15 in the Village Hall. The sessions will be hosted by Haydn Dibble, lead coach at S.M.A.R.T performance, Haydn is a Badminton England Level 2 coach and continues to represent England at Masters level, he also has up to date enhanced DBS, safeguarding and 1st aid certificates.

All equipment will be provided, the children will just need suitable PE kit and a pair of trainers, children will change into their PE kit before the session and will be wearing it when collected by parents at the front of the hall.

S.M.A.R.T performance take their safeguarding responsibilities seriously so will require all parents to either collect their child(ren) from the Hall at 4.15 or provide a permission certificate agreeing that their child(ren) can walk home on their own, no children will leave the school without one or the other and a register will be maintained at all times.

Badminton is a very inclusive sport and one of the most participated sports in the UK and indeed across the world, it is easy to participate with little if any experience, the course will cover grips, serve, scoring, basic tactics, shuttle control and shot technique amongst other skills depending on the relevant progress of the group.

The sessions will be limited to 16 players on a 1st come 1st served basis and will cost £5.50 per session, total of £33 for the 6-week course.

I do hope we can make this work to promote not only badminton but general sport and activity at Newton Tony Primary School, please complete the remittance form below and email back to Haydn asap to secure the spot for your child(ren)

Thank you, if you have any questions, please don't hesitate to give me a ring
