13th May 2024

Save the date: Newton Tony Primary School Sports Day

We kindly invite you to join us on **Friday 12th July at 9.00am** to watch and support your child participate in Sports day. The carpark and a section of the field will be available for parking but we ask that adults from each family use one car where possible. Please note that there is also parking available on the roads around the village. Most people bring a camping chair or blanket to sit on, for comfort.

PE Kit

All children are to come to school dressed in their PE Kit; purple t-shirt, black shorts, trainers or plimsolls.

Competitive Races

During the morning, we have competitive races as this is an opportunity for children who excel in sport to achieve. We also look out for children who are demonstrating the sporting games values of: honesty, self-belief, determination, respect, teamwork, passion and being eco-friendly. The races will take place on the Newton Tony Village field and commence at 9.15am and finish around 11.30am. The morning will consist of a range of competitive track races eg. egg and spoon race, sack race, sprint race, beanbag on the head race. There will also be an inter-house relay race. We usually finish with a toddler race for the pre-schoolers.

Picnic

You are welcome to bring a picnic to share with your child at lunchtime on the village field. Remember we are a nut-free school and please do not bring any glass bottles. Please ensure your child has a water bottle in school. FONTS PTA will be serving refreshments in the village hall, please bring cash, but they are hoping to have card machine facilities. There will be access to toilets in the village hall. FONTS PTA will be hosting a raffle on the day (more details will follow).

New2U

There will be a preloved uniform area, please help yourself to any uniform you may need.

Weather

Please ensure your child is wearing sun-cream and hat and provide your child with a water bottle. If the weather is extremely hot then the school gazebos will be erected on the field to provide as much shade as possible for the children. If we have torrential rain then we will cancel our Sports day as the grass becomes very slippery. Fingers crossed with the British weather !

Kind regards

S Priestley
