

Dear Parents and Carers,

Well it looks like the sun may finally be starting to make an appearance– please ensure children have suntan lotion on BEFORE school, children will also be able to apply lotion before lunch too. For this reason, we recommend a roll on lotion as this is less messy! We also ask that children have hats and rain coats every day because the weather is still very unpredictable.

This week

The children have continued to enjoy the story of Superworm. This week, they have written rhyming sentences and created their own endings. I think poor Wizard Lizard fared better in the original story, he will certainly be too scared to catch any more worms after Hedgehogs got their hands on him! In maths, children have been learning about rotating shapes and exploring using tangrams. The children have also enjoyed their Wilderness Warriors session in the warm sunshine!

Wow Words.

monstrous: incredibly evil

terrified: very scared

Soaring: flying high

supportive: encouraging others

Intrepid: extremely brave-shows no fear

valiant: acting brave and bold

Next week

The children will be mystified when they discover a variety of clues to follow around the school grounds. Finding an invitation from a special visitor will enable us to write letters back to them and also plan for a rather special *Bug Ball* (letter to follow). In maths, the children will be exploring sharing and grouping different types of numbers including odd and even. We will also take part in a breakdancing workshop too.

Best wishes,

The Hedgehog Team
