Specialist SEN Service

Dyslexia Workshop For Parents And Carers (Online Live)

Outline

This is a session to find out about dyslexia and the support available in Wiltshire

Description

This session will allow parents and carers to find out what dyslexia is, how schools and other agencies in Wiltshire identify and support literacy difficulties, and ways to help at home.

Outcome

By the end of the session participants will:

- have an understanding of what dyslexia is
- be aware of the support available in Wiltshire
- have learnt some strategies to support at home

Audience

Wiltshire Primary and Secondary School parents and carers.

Booking Information

Only one contact person from each school needs to book on. Schools are asked to forward the link to parents who wish to attend, or host parents in school. A template email for sharing the link with parents will be available in your 'course documents' which can be accessed from your confirmation email.

This session is only available to join live; no recording will be available after the event.
