

Dear Parents and Carers,

Welcome back to the final term before the next exciting adventure starts in Year 1! We hope you all had a wonderful holiday. Our key line of enquiry this term is 'What if there wasn't any colour left?' We have lots of fun and exciting learning opportunities planned and can't wait to get started. Now the weather is slowly getting warmer, please can we ask that children come to school with sun-cream already applied, a sun hat and a full water bottle everyday.

This week

The children have enjoyed the story The Rainbow Fish. They followed clues to find the hidden book and made wanted posters for a good friend. They have also learnt about the 80th anniversary of D-Day and they designed a D-Day medal. In maths, the children have been learning about sharing, using farm animals to help.

Wow Words

glistening: shining

forlorn: feeling sad and lonely

precious: very important and valuable

sprightly: full of energy

Next week

The children will continue to focus on the story The Rainbow Fish. They will be using puppets to retell the story, creating their own story map and making rainbow fish biscuits. Next Friday it is The Big Teddy Takeover. Children are allowed to bring a teddy to school and wear their own clothes, but please remember it is a PE day, so trainers still need to be worn.

Best wishes

The Hedgehog Team
