## PSHE Jigsaw – Changing Me

Dear Parent/Carer

Year 3 and 4 will have the opportunity to participate in the JIGSAW PSHE Scheme of work: changing me. The DfE recommends, 'that all primary schools should have a Sex Education programme tailored to the age and the physical and emotional maturity of the pupils.' The lessons will be taught by Mrs Hillier or Ms McIlvar and more details are explained in the attached documentation.

You have the opportunity to look at what your child will be taught before you agree to your child participating. We have created an access code to enable you to view the Jigsaw PSHE online lesson planning and slides that the school is using to help them deliver high quality PSHE teaching and learning opportunities in the classroom. These meet all the statutory requirements for this curriculum area. Please click on the links and use the access code in the Changing Me Parent Access document attached to the email.

Important: You have the right to withdraw your child from the lessons, and if we have not heard from you by Thursday 4<sup>th</sup> July at 8.30 am, we will assume you are happy for your child to participate in the lessons below:

### Outside Body Changes

- Learning Intentions: I understand that boys' and girls' bodies need to change so that when they grow up their bodies can make babies. I can identify how boys' and girls' bodies change on the outside during this growing up process

### Inside Body Changes

- Learning Intention: I can identify how boys' and girls' bodies change on the inside during the growing up process and can tell you why these changes are necessary so that their bodies can make babies when they grow up
