Summer Holiday Reading Challenge!

Can you complete any of these reading targets over the Summer Holidays?

Get an adult to sign and date when you have completed the challenges - you can do them in any order!

If you cannot read tricky words yet, you can still take part in the challenge. You can listen while an adult reads to you.

Anyone who completes **ALL** of them will get 10 dojos and be put into a prize draw for a book token.

Bring this sheet back during the first week of September - have fun reading!
