

Dear parents and carers,

Hedgehogs have been bringing in an assortment of wonderful certificates and discussing many of their achievements from outside of school recently so we thought it would be great to recognise these amazing successes.

We are currently in the process of creating a display to show off some of these. We will be sending home a small 'wow moment' form for you to fill in so we can attach to our display and we would love for you to send in a photo/certificate etc that we can photocopy and attach to the display for everyone to see how amazing we all are! It could be a swimming/football/gymnastics certificate or even a photo of your child riding their bike if this is one of their recent achievements too.

As there is obviously only a small amount of time left, we would be grateful for you to do this ASAP.

Best wishes,

The Hedgehog Team
