## Eco Warrior Expression of Interest

Dear Parent/Carer

Children in Year 4 have the opportunity to apply to become an 'Eco Warrior' for the school. Last year, our warriors achieved the Green School Award for planting bee and butterfly friendly plants in the school grounds. They also helped re-assess our use of recycling and landfill.

If your child would be interested in becoming a warrior can they explain why they want to be a warrior and any ideas they might have to help make the school more eco-friendly by Friday 20<sup>th</sup> September. They could draw a picture or make a poster to explain their ideas. If they need any paper, they can ask for some at school. If we have more than four children apply their names will be randomly selected.

Best wishes
