6<sup>th</sup> September 2024

Dear Parents and Carers,

Newton Tony Primary School will be taking part in this year's Jeans for Genes Week on Monday 16th September 2024.

All children and staff are invited to wear their jeans or other denim clothes to school on this Monday. You do not have to wear school uniform with your denim. We would like everyone to take part so please encourage your child to come into school on the day wearing their denim.

1 in 25 children has a genetic disorder that can mean they need additional support. That is almost equivalent to one child in every class. By wearing our denim and donating, we have the opportunity to help change the lives of these children.

Jeans for Genes Day have a series of powerful films to explain how your child's donation will make a difference. Each film provides a compelling and personal insight, introducing some amazing children living with genetic disorders, sharing first-hand what life is like with their condition. Please visit <https://www.jeansforgenes.org/who-we-are> for more information.

To help raise money for the Jeans for Genes campaign, we are asking for a donation on our JustGiving page, please do not bring any cash to school. Follow this link
