

Dear parents and carers,

Each term, we would like to celebrate how amazing we are in Hedgehogs Class.

We currently have a display in the corridor where we like to show the rest of the school our special achievements. We will be sending home a small 'wow moment' form for you to fill in so we can attach it to our display and we would love for you to send in a photo/certificate etc that we can photocopy and attach to the display for everyone to know what we've been up to! It could be a swimming/ football/gymnastics certificate or even a photo of your child riding their bike if this is one of their recent achievements too.

Best wishes,

The Hedgehog Team
