

Dear Parents and Carers,

We hope you have all been enjoying the beautiful sunny weather. We are at the end of another term and what a busy one it has been! We are so proud of all our Hedgehogs and how far they have come this term. We also wanted to say a thank you to everyone that was able to attend our Easter craft afternoon, we know the children really enjoyed it.

This week

We were very surprised to come into the classroom to find an enormous beanstalk had grown in the middle of the room! We thought about what might be at the top and wrote down our ideas. Some of the suggestions were a giant, a dragon or fairies. We also enjoyed making a trap outside, just in case it was a grumpy giant! In maths, we have been focusing on patterns and made Easter eggs with patterns on them.

Wow Words.

booming: a loud, deep sound.

descending: to move downward or to a lower position.

clambering: to climb awkwardly or with difficulty, using both hands and feet.

chopping: to cut something by hitting it many times with a very sharp tool.

Next week

It is the Easter holidays! The children return to school on Wednesday 23rd April.

Best wishes
