

Dear Parents and Carers,

Well, this term has absolutely flown by! We hope you all have a well deserved rest and enjoy some quality family time before we return for our last term together until our heavenly Hedgehogs become fabulous Foxes! We would also like to take this time to thank you for your continued support and always stepping up to help on the journey through the Early Years.

This week

We have had a wonderful week beginning with a workshop from Crazy Creatures, where we showed both our bravery and curiosity in abundance. We were so proud of how the children were confident to ask and answer so many questions! We have also enjoyed planning and creating our masks and wings for the Ugly Bug Ball. The ball was a blast, made even better by the upstanding behaviour from so many beasties-no doubt made better because of the rules and expectations the children wrote beforehand. In maths, the children have learnt to select, rotate and manipulate shapes to develop their spatial reasoning skills including a challenge to create the biggest triangle using smaller shapes.

**Wow Words.**

**Chomp:** to chew something with a big, noisy bite.

**Monarch:** a king or queen that is head of state.

**Parading:** walking or marching as a group, usually for a special occasion    **Throne:** a special chair that a king or queen sits on

**Harmonious:** things or people that go together well and fit together nicely
