

Dear Parents and Carers,

We hope you have all had a lovely week.

### This week

The children have continued to learn the story of The Rainbow Fish. They used puppets to retell the story, made fantastic story maps and enjoyed making Rainbow Fish biscuits. In maths, the children have been focusing on sharing and grouping, using small world play to help them.

#### **Wow Words**

**knowledgeable:** intelligent

**generous:** willing to give or share

**companion:** a friend

**peculiar:** strange or unusual

**joyful:** feeling great happiness

### Next week

The children will be focusing on the story Elmer. After discovering footprints in the classroom they will investigate who made them and write down their findings. On Friday 27th June, we will be having an Elmer Day Celebration, where the children can come to school dressed in as many colours as they like. Please be aware this will still be a PE day, so clothes and footwear need to be suitable for PE.

Best wishes

The Hedgehog Team
