

Dear Parents and Carers,

We hope you have all had a good week. Just a little reminder that we would love if everyone could send in a holiday photo as part of our Understanding the World learning. Thank you to everyone who has sent in their holiday photos so far.

### This week

The children thought about what makes them special. They also had lots of fun celebrating Elmer day. They went on a colour hunt, played party games and enjoyed some delicious party food. In maths, the children have been learning about positional language.

#### **Wow Words**

**unique:** one of a kind

**trudge:** walk slowly, with heavy steps

**exuberant:** full of energy and cheerfulness

**identical:** exactly the same

### Next week

The children will be focusing on the story Harry Saves the Ocean and designing their own recycling superhero. The children will also be jetting off to Paris, France for our next Faraway Friday.

Best wishes

The Hedgehog Team
