Keeping Your Child Safe Online – Our School's Computing Acceptable Use Agreement

Dear Parents and Carers,

At Newton Tony Primary School, our priority is to ensure that all our pupils can safely and confidently use technology to support their learning. The digital world offers incredible opportunities, but it is essential that our children understand how to navigate it responsibly.

To help achieve this, we have created a Computing Acceptable Usage Agreement. This document outlines the school's expectations for how pupils should use our computers, tablets, internet access, and other digital resources. It is designed to be a clear and helpful guide for promoting positive and safe online behaviour. It is now legal requirement for schools to have an agreement in place.

We are now sending this agreement home for you to review with your child. Your partnership in reinforcing these important messages is vital.

What you need to do:

We kindly ask that you take the following steps by **9am 3rd November 2025**

1. **Access the Form:** Please visit the following link to view the agreement:
<https://forms.office.com/e/nX3He8baWt> (Foxes Class)
<https://forms.office.com/e/eYynmq2NVg> (Squirrels Class and Badgers)
2. **Discuss with Your Child:** Please take some time to read through the agreement with your child. It's a great opportunity to talk about staying safe online and what it means to be a responsible digital citizen.
3. **Confirm Your Agreement:** Once you have discussed the contents with your child, please tick the confirmation box at the end of the online form. This will confirm that you and your child have read, understood, and agreed to follow the school's guidelines.

This agreement will help us ensure that our school remains a safe and positive environment for digital learning. Thank you for your continued support in this important matter. If you have any questions, please do not hesitate to get in touch dclarke@newtontony.wilts.sc.uk.

Yours sincerely,

DClarke
