

Dear Parent and Carers,

Welcome back - we hope you had a lovely half term! We can't believe it is term 2 already, time flies when you're having fun! We are now looking forward to all the fabulous things happening in Hedgehogs Class in term 2.

This week

Whizz! Bang! Pop! Did you come along to the school fun-tastic fireworks display on Wednesday? If you did, we hope you enjoyed it! Our big question for this term is 'What if I Danced all Night?' This week we have been focusing on the celebration: bonfire night! We turned our names into rockets, made firework patterns, learnt about the gun powder plot in our small world, and became artists, mixing oranges, yellows, and reds to make some beautiful bonfire paintings. What a creative bunch we are!

In maths, we have been exploring how numbers can be composed of 1s and, from this, begin to investigate the composition of 3 and 4.

Next week

Next week, we will be learning about Remembrance Day, why we wear poppies, and the importance of saying thank you and not forgetting.

Best wishes,

The Hedgehog Team
