

Dear Parents and Carers,

Well, the first full term is now complete and we are so proud of how far the children have come. Thank you to everyone that came to see the Nativity on Tuesday, we know the children were so excited for you to watch.

This week

We performed our class Nativity and we are so unbelievably proud of all of our Hedgehogs, they were fantastic! We have continued to get into the Christmas spirit; making wrapping paper, writing Christmas lists (I think Santa is going to need a bigger sleigh) and having both our Christmas party and our Christmas craft afternoon. Again, thank you to everyone that was able to come and make it such a lovely event! In maths, we have been building on our understanding of the composition of numbers by investigating the composition of 3, 4 and 5. We also jetted off to Germany on our second Faraway Friday. We tried some Bratwurst and Lebkuchen, learnt some German words, discovered some famous places, made German flags and even some alpine hats.

Next Term

We return to school on Tuesday 6th January 2026 ready for another fun-filled term of learning! During the holidays, please keep practising those sounds and sharing stories as much as you can. Most importantly, however, please have lots of fun, make lots of memories and enjoy your time together!

We wish you all a wonderful and safe Christmas!

Best wishes,

The Hedgehog Team
