Dear Parent/Carer

We're the superb reading ambassadors that belong to Newton Tony Primary school and we would be happy to tell you what we are doing for the National Year of Reading 2026.

We will be giving every child a reading log poster to fill in this year. We thought it would be great if everyone could write the name of the book they have finished on one of the spines on the poster. When they have finished on one of the spines on the poster the younger children could colour the spines in and maybe ask an adult to write the name as the spines are quite small!

We will happily be putting up posters for an Author of the week in our library. If your child likes the look of the books that this author writes they can let us know and we can buy it for our library.

We will be bringing other ideas to promote reading for pleasure for children and parents.

Best wishes

Albert, Aria, Elizabeth, Evie, Kai and Stanley.
