Multiplication Tables Check

Dear Parent/Carer,

In the week beginning the 8th June 2026, your child will be taking part in the government KS2 Multiplication Tables Check. The multiplication tables check (MTC) is statutory for all Year 4 pupils registered at state-funded maintained schools, special schools or academies, including free schools, in England. We have emailed you a copy of the parent/carers guidance leaflet which will give you more information.

The purpose of the MTC is to determine whether pupils can recall their times tables fluently, which is essential for future success in mathematics. It will help schools to identify pupils who have not yet mastered their times tables, so that additional support can be provided.

I will be holding a parent meeting on Tuesday 10th March at 3pm to discuss what these tests will involve. Please can you let the office know if you will be attending this meeting by filling in the form below:

[YEAR 4 Multiplication Check parent meeting – Fill out form](#)
