11<sup>th</sup> March 2026

Dear Parent/Carer,

Following on from the Multiplication Tables Check parent/carer meeting. I am attaching the two links we looked at that enable children to practice for the MTC in June. They have been modelled exactly on the formatting and other rules set out by the Department for Education. Usually, more questions are asked about the 6, 7, 8, 9, and 12 times tables than others such as the 2, 3, 4, 5, 10 and 11 times tables that children generally master earlier in their learning. There are no questions on the 0 or 1 times tables either. The questions on these website are generated with these rules in mind, so the experience is as close to the real Year 4 Multiplication Tables Check as possible.

<https://play.edshed.com/en-gb/mtc>

<https://mathsframe.co.uk/en/resources/resource/477/Multiplication-Tables-Check>

We will be using these links in school to practice as well. These websites gives the children's scores and lets them know which ones they need to practice further.

Best wishes
