Dear Parents/Carers,

Consent for school trips and activities

As part of rural school life, your child may walk around the local area on a regular basis eg. visit St Andrews Church, welly walks and exploring the environment during seasonal changes. If your child is walking in the local area, we will not necessary inform you of this activity. Your child will always be safe as we follow the recommended Wiltshire LA risk assessment at all times.

Your child could also go off-site for school trips and activities eg Marwell Zoo. These types of trips need written consent from parents/carers. Below is a consent form for school trips and other off site activities for your completion. As detailed in the attached form, we will send you information regarding each off site trip or activity prior to it taking place.

You can advise us that you do not want your child to take part in any particular school trip or activity. It is appreciated if you could complete the online form [Consent for Trips Online Form](#) as soon as possible.

Thank you

Mrs Paige
