School Lunches

Dear Parents/Carers,

Newton Tony CE VC Primary School is a healthy school and we are proud to have been awarded our Healthy School Bronze Award. In addition, Healthy Eating was an important element in the school gaining the School Eco Green Flag Silver Award.

Children at school have a choice of either bringing with them their own packed lunch or having a school dinner which is provided by Edwards and Ward. More information can be found on their website.

<https://edwardsandward.co.uk/>

For children choosing a school dinner, they have a daily choice of a meat option, vegetarian option, baked potato or classic tomato pasta. **All children in Year R (EYFS), 1 and 2 are entitled to free universal school meals.** We encourage children to make their own independent lunch choices with their class teacher every morning.

In line with our policy on healthy eating, we promote healthy lunchboxes for the children. Please be aware that we are a nut free school and we do not allow chocolate bars or sweets in our school lunchboxes. Your child is required to bring a water bottle to school in order for them to drink when needed. Fruit is provided on a daily basis for Years R, 1 and 2.

Please feel free to contact the school office if you require further information.

Kind regards,

SPriestley
