16th July 2026

Dear Parents/Carers,

At Newton Tony Primary School we promote a love of learning and an important part of this is access to books that your child can enjoy. Over the course of the year your child will have a wide range of stories read to them and we have amazing books in the school library that they can borrow! When we read a class book, many of the children tell us that they wish they had a copy of the book to read along in class so we thought it would be fantastic if you would like to buy your child their class focus books. **If you are entitled to pupil premium or need financial support, we are happy to purchase the books for your child, please contact Miss Priestley.** Some children worry because they have a different cover to the one pictured below but it doesn't matter what the cover looks like.

Please ask your child to write their name in their book because as you can imagine there will be many other copies in class. Please ensure that your child has a copy of **Kensuke's Kingdom** by 4th September, **Cogheart** by 5th January and a copy of **Varjak Paw** by 16th April. If you would like to purchase the other three books, this is optional although many children enjoy having them all and following along with the reading. The books do, of course come home again at the end of the term at which time the children can talk enthusiastically about the book, point out their favourite parts etc. In the coming school year your Badger child will read the books in the table below in class.

Autumn Term 1	Spring Term 1	Summer Term 1
Kensuke's Kingdom by Michael Morpurgo 	Cogheart by Peter Bunzl 	Varjak Paw by SF Said 
Autumn Term 2	Spring Term 2	Summer Term 2
The Polar Explorers Club by Alex Bell 	Friend or Foe by Michael Morpurgo 	Goth Girl and the Ghost of a Mouse by Chris Riddell 

We know that children treasure the books we use in class and want to encourage them to build their own library at home so that they can revisit the books whenever they want. By buying the books each year you are helping your child to become immersed in the text and by the time they leave Key Stage 2 they will have at least 12 books filled with happy memories. Thank you for your continued support as we build a life-long love of reading with your children.

Best wishes,

Mrs Clarke Mrs Biles
