22nd September 2026

Dear Parent/Carer

Following previous parental feedback, we are pleased to now offer a virtual phonics information session. This allows families—particularly working parents or those with younger children at home—to access the session at a time that suits them best. We hope this flexibility supports greater engagement and understanding of how phonics is taught in school. You can watch the session by following the link below:

<https://youtu.be/PDOobSlkiUk>

Phonics plays a vital role in early reading development, helping children to decode words, build fluency, and develop confidence as readers. A strong foundation in phonics supports overall literacy and long-term academic success. We encourage all parents and carers to watch the session to better understand how phonics is taught in school and how you can support your child's learning at home.

If you have any questions or would like further advice please contact me
njordan@newtontony.wilts.sch.uk

Best wishes,

Mrs Jordan
